No Show Policy

At Central Coast Orthopedic Medical Group, we are committed to providing quality healthcare at the most reasonable cost to you.

Our policy requires you to cancel or reschedule your appointment at least 24-hours in advance. If you do not arrive for your appointment or reschedule less than 24 hours in advance, the time reserved specifically for you often goes unfilled. This deprives other patients who need to be seen, as well as increases the cost of providing health care through lost revenues.

If you no show for your appointment 1 time, you will receive a warning.

If you no show for your appointment more than 1 time, you will be charged a \$45 no show fee.

If you have no showed for your appointment more than 2 times, you will be charged a \$45 no show fee and placed on a modified schedule.

Each no-show after the second incident, you will be charged a \$45 fee.
